

# Parenting Program

## The Emotionally Intelligent Child

Learn how to coach your child to manage their emotional world. A high "EQ" increases a child's self-confidence and improves school performance and social skills. For parents of children birth to 10 years.

Presented by Jaclyn Long, MFT

**Thursday, February 28, 2013**

**7:00 - 8:30 p.m.**

**Library Community Room**

**Adults only. Free!**
